
Mac's Gold Abel Tasman Coastal Classic 2004

Race Results

Costley again king of the coast.

Back in 2001, Phil Costley showed his class in the Mac's Gold Abel Tasman Coastal Classic clearing out from the rest of the field to win by over fifteen minutes. Three years later he was back, and with Saturday's course being the reverse, Awaroa Lodge to Marahau, he was keen to compare times. He returned to Christchurch with no disappointments, easily winning the event in 2hrs 23mins 01secs, and only 50seconds in arrears of his record, albeit set the other way.

Costley cleared out early enjoying the taxing early workload coming off the soft sand beaches of Tonga and Bark Bays before heading back into coastal headlands. No one in 2001 challenged him, likewise this year as he strode to the boardwalk finishline just under twenty minutes ahead.

Andrew Young and Marc Lidiard had a solid tussle for second, Lidiard waited behind in vain for an opportunity to surge ahead but the Greg Fraine trained Wellingtonian never allowed him the chance.

Nelson's Andrew Martin has been ultra consistent over the course with a best placing of third overall in 2002. Two years on and now moved up to the 40-49 Masters age group, he led home a Nelson 'trifecta' with his previous 'conqueror' Colin Rolfe and Chris Gates behind him. Gates having a standout run reducing his previous best time.

Eight Dravitzki's, a name synonymous with performance on the national running scene, took part with Nicky celebrating the 'family reunion' by taking home the women's silverware to Christchurch. Eightyfour other women followed, Billie Marshall (Wtgn), a shade under two minutes next followed by Nelson's Stephanie Smalley.

'Granny Strider' Marie Lenting, a starter in the original 1994 event didn't return home empty handed when it came to the handcrafted Royce McGlashen pottery prizeware by winning her sixty plus section.

The change in format was well received allowing easier management of the event by the Nelson Striders and their support team of Motueka Search and Rescue, St John Ambulance and Round Table cementing the same course for 2005's event of September 10.

Rolfe, Gates and Owen Rowse (Wtgn) remain in the 'survivors' club and all appear set to complete at least the 'dozen'.
